THE COVER

Thanksgiving has passed and we have walked through the rustling, golden leaves and admired the stark skeletons of the trees so recently green. Hallowe'en is still to come with its witches and jack-o'-lanterns. This autumn scene, a familiar one in Assiniboine Park, is full of late sunshine and warmth. How soon will the snow fly?

Celebrates 45 Years Service

MR. ARTHUR F. HARDING

Thursday, September 29, found Mr. Arthur F. Harding celebrating his 45th anniversary with Eaton's in Winnipeg. He first worked in the Store Hardware Department for six months as a salesman and then moved to the same department in the Mail Order where he has worked since. He was just recently made Manager of the Hardware and Housewares Departments and the Heavy Hardware, Vancouver and Winnipeg Mail Order. He had been Department Manager of M.O. Hardware for many years.

Mr. Harding is married and has one son and one daughter, three grandsons and three granddaughters. His favourite recreation is golf and he is a member of Elmhurst Golf and Country Club. Recently he has taken up photography, too. In the winter he finds some time for woodworking in his basement workroom. In his younger days he was a softball enthusiast and a lacrosse player. He is a genuine Manitoban, having been born at MacGregor, Manitoba, and attended Victoria and Albert School and Central Collegiate in Winnipeg. Mr. Harding is a member of Prince Rupert Lodge No. 1, G.R.M., A.F. & A.M., the Scottish Rite, and the Khartum Temple of the Shrine.

On Wednesday, September 28, his combined departments held a smorgasbord dinner in his honour at the Parker House and presented him with photographic equipment, and on Thursday morning they covered his beautifully decorated desk with personal gifts. He received many messages and calls of congratulation during that day and on Tuesday, October 11, the M.O. Managers' group held a complimentary dinner at the Fort Garry Hotel for him at which he was presented with a Record Player.

All who know Mr. Harding, within and outside the Company, join in wishing him the very best in success, happiness and health.

Honoured On Their Fortieth Anniversary

MR. JACK HUTCHINSON

Forty years ago on October 11 Mr. Jack Hutchinson, Supply Department Manager, started work in the Box Factory where he stayed for a year or so and then transferred to the Supply Department. He has been successively Assistant, Department Manager and Manager in that department. Mr. Hutchinson is married. He was born in Boissevain, Manitoba and went to school in Rathwell, coming to Winnipeg at the age of 17.

Mr. Hutchinson is an active member of the Purchasing Agents Association of Winnipeg of which he has been President and National Director. He is fond of travelling and has taken several long motor trips, including to Florida, California and to Arkansas, in recent years. His cottage at Matlock is a keen interest and he has also built a recreation room in his basement lately. He is fond of gardening, growing flowers in the city and flowers and vegetables at the Lake.

On Tuesday, October 11, Mr. Hutchinson's combined departments which include Business Machines Maintenance, held a breakfast party at the St. Regis Hotel and presented him with a handsome gift. He returned to his office to find his desk decorated and during the day he received many callers who came to congratulate him.

We join his staff and co-workers in wishing him the very best of luck, good health and happiness.

MR. PAUL HUOT

Mr. Paul Huot of the Printing Department celebrated 40 years with Eaton's on Thursday, October 6. He started as a boy delivering mail in the Mail Order on roller skates, worked for a short time in Mail Order Exchanges, then transferred to the Multilith Section, known then as Multigraph, and has been in that work ever since.

Mr. Huot is married, has three sons, one daughter and one grandson. He was born and went to school in St. Boniface and he still lives there. He is a member and on the board of the LaVerendrye Game and Fish Association, and an enthusiastic fisherman. He is fond of motoring and has made several long holiday trips by motor.

On Friday, September 30, his department presented him with a drill and saw combination, as a momento of this anniversary. We all join with his fellow workers in wishing Mr. Huot, good health and happiness and a long and active life.

25 Years with Eaton's

MR. MITCHEL SIMMONS

The Assistant in Women's Shoes, Slippers, etc., Mr. Simmons (Mickey), celebrated his 25th anniversary with the Company on Monday, October 3. He has been in that department all the time with the exception of his three years in the Airforce Motor Transport during World War II, seeing action in the Normandy landings and subsequent battles and returning in 1945.

He is married and has one daughter and a three-year-old grandson. He is a member of the Northern Light Lodge, No. 10, A.F. and A.M., and enjoys the chores involved in keeping up a house, painting, building, working in his basement workshop, gardening (he grows flowers). He also finds time for golf, curling and is a hockey fan. He used to play football and baseball. He has tentative plans to take his long holiday in the South this winter.

To celebrate the occasion a social evening was held at the home of Mr. Gargett, Manager of Dept. 338, on Tuesday, October 4, attended by the staff of both shoe departments. Mr. Simmons was presented with a transistor radio at this party. His gift from the Company was a diamond ring.

25 YEARS WITH EATON'S

MISS LILLIAN R. BROWNE

Miss Lillian Browne of the General Office staff, celebrated her 25th anniversary on Friday, September 23. The day began with a breakfast given by the girls of the department at Moore's Restaurant. Later, when Lillian arrived in the office she found her desk decorated, and during the day many gifts were given her. The department gave her a 35 mm. camera and the girls of the department added a clock radio. Her gift from the Company was a watch.

Lillian is a second generation Eatonian. Her father will be remembered by many, Mr. William Browne of the Parcel Department. Lillian came in part-time as a youngster in the "dirty thirties," then joined the General Office full time and has worked there since. She has many interests—is an active member of the Business and Professional Women's Club, an ardent worker with young people at St. Jude's Anglican Church, an alley bowler, reader and traveller, to name a few. She plans a trip overseas next May for her long holiday. Lillian has a sister and a niece and speaks affectionately of her many friends in the Store and Mail. Congratulations on your 25th, Lillian, and all good wishes for the future from your many friends at Eaton's.

MISS IRENE POWELL

When her 25th anniversary date rolled around on Friday, September 30, Miss Irene Powell, of the M.O. Budget Plan office, was still away on her six-week Overseas trip which she started on August 26. However, this did not prevent her department celebrating the event. They did so on August 25 at a lunch at Zoratti's where she was presented with several gifts, including a portable refrigerator, black purse and bulky sweater. That morning her desk had been decorated and her many friends came to see her, bringing gifts to mark the occasion. Her department gave her two beautiful pieces of luggage. The gift from the Company was a handsome dinner ring.

Irene spent her early years with the Company in the Store Budget Plan, transferring to the Mail Order 12 years ago. She was born near Birmingham, England, but came to Canada at four years of age. Among her hobbies are colour photography, sewing and travel. Irene's many friends join in wishing her health, happiness and success.

MISS ANNE ANDERSON

Miss Anne Anderson had served for 25 years in the Children's Clothing in the Lower Priced Store when she celebrated that anniversary on Friday, October 14. Anne lives with her sister, Ethel, who also works for the Company, in Mail Order Staples. She is a member of St. Andrew's United Church.

She is fond of travel and plans a six-week vacation at the Pacific Coast in the spring of 1961. Her other hobbies include alley bowling, golf and sewing. She is also an ardent Blue Bomber fan.

On Wednesday, October 12, the staff of the Lower Priced Store held a dinner at Zoratti's in Anne's honour at which she received a pair of Coalport bedroom lamps from the assembled group. On her anniversary day her desk was beautifully decorated and she was presented with a watch by her department and received many personal gifts from friends and well-wishers who called during the day. Her gift from the Company was a beautiful diamond cluster ring. We join in congratulating Anne and wishing her all the best in the years ahead.

HONOURED ON THEIR RETIREMENT

MR. ROBERT HENRY GREGORY

One of our best known Eatonians, Mr. Robert Gregory (Bob), Assistant in Men's Furnishings, retired on Friday, September 30, after 47 years with the Company. His first two years were spent in the Millinery Department which then employed 300 "girls" and he enlisted from that department in 1915 with the 7th Canadian Cavalry Field Ambulance, going overseas in 1916 and returning in 1919. He spent another year in millinery, transferred to the Despatch for four years and from then on alternated between Men's Furnishings in the Store and in the Mail Order, settling in the Store in 1939. He became Assistant in 1950.

Mr. Gregory married Fannie Turner of the Drug Department in 1915 and they have two sons, two daughters, 7 grandsons and 3 grand-daughters. He and his wife were both born in Prince Edward Island, though they met in Winnipeg. He is fond of gardening, growing flowers, and is an expert on tomatoes. Has been active in golf and curling, and plans to stay in Winnipeg with interludes of travel.

Mr. Gregory is a Past Master of the Fidelity Lodge, A.F. and A.M., a member of the Scottish Rite and the Khartum Temple of the Shrine and a member of Harstone Memorial United Church.

On Thursday, September 15, the girls in the department entertained Mr. and Mrs. Gregory at a dinner at the Town and Country, presenting him with an "Oscar" for outstanding performance as a boss over the years. Then on his retirement day his desk was decorated, the department gave him a flight bag, and he received many gifts and callers expressing their affection and good wishes. On Saturday evening a party was held at the Shrine Temple and Mr. Gregory received another gift, a sun cart to add to his next summer's enjoyment.

All his friends and associates wish Mr. Gregory long years of happy, healthy leisure in his retirement.

MRS. ALICE TURK

Both customers and staff will miss Mrs. Alice Turk who retired from the Women's Foundation section of the Lingerie Department on Saturday, October 1. Her efficiency and amiability are hard to replace. She has been in the department since 1947, but is one of the early Eatonians, having started first in 1914 as a parcel girl and transferred to Lingerie in 1917 where she worked till her marriage in 1924. She has a son and daughter.

Mrs. Turk's plans for the future include a trip to the coast for Christmas and possibly a move out there to live later on. She is a member of Ebenezer Gospel Hall since her childhood and a worker at Union Gospel Mission where she not only works but also uses her soprano voice to sing sacred music. Her interests are reading and travelling and embroidery.

On Thursday, September 15, her department held a dinner in her honour at the Paddock where she was given two pieces of luggage. On her retirement day her table was decorated and she received a mass of gifts from her friends who came to wish her well. We join them in best wishes for good health and happiness and a long and enjoyable retirement.

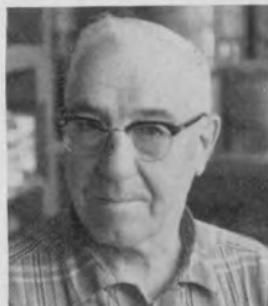

MR. THOMAS B. BROWNE

Mr. Thomas B. (Bev) Browne of the Painters' staff, retired on Friday, September 30. He had worked for that department since 1942. Mr. Browne was born in Almonte, Ontario, and is married with one married daughter. He plans to stay in Winnipeg and is anticipating keeping very busy since painting is one of the jobs that is constantly needed. He finds time for gardening in the summer and is interested in growing flowers as well as vegetables.

On Friday morning his co-workers had decorated his work table and later presented him with a mirror and sport shirts to mark the occasion. In the near future a party will be held to honour Mr. Browne. May you enjoy a happy, healthy and active retirement, Mr. Browne.

MR. STANLEY DAVID GRAHAM

After 15 years service in the Drug Department, both on the floor and in the Dispensary, Mr. Stanley Graham (Stan) retired on Saturday, October 1. A bachelor, he lives with his sister, Bethel, now retired from the Fancy Goods Department. Mr. Graham was born in Glenora, Manitoba, and went to school in Baldur. He served three years Overseas with the 50th Battalion in World War I, and returned to take his degree in Pharmacy at the University of Manitoba in 1922. His plans are indefinite for the time being. We all wish you happiness and good health, Stan, in all the future.

HONOURED ON THEIR RETIREMENT

MR. WILFRED PARENT

Mr. Wilfred Parent (Bill) retired from the Men's Clothing on Friday, September 30. He had first worked for the Company in 1927, in the Boys' Clothing, left us in 1930 but returned in 1939 to Men's Clothing where he has been since.

Mr. Parent was born in Quebec City but grew up, went to school and lived for many years in Ottawa. He was interested in lacrosse and baseball in his youth. He is a widower and plans to make his future home in Winnipeg, but is taking a trip East shortly to visit his two sisters and brother.

Honouring Mr. Parent on his retirement, a stag party was held at Moore's Restaurant on Thursday, September 22 at which his department presented him with a Philishave Electric Razor.

All his associates and friends at Eaton's wish Mr. Parent a happy, healthy and active future.

Mr. Wells has one son, one daughter and one 12-year-old grandson. His wife is a former Eatonian, Margaret Murchie, also of the Printing Department.

Mr. Wells spent 3½ years in the 5th Brigade of Artillery in World War I, most of that time overseas. He has a long history in athletics, having been a curler, alley bowler, Canoe Club member and senior gymnastic leader at the Y.M.C.A. (among other things) as a younger man. He is a member of the Sons of England and Canadian Legion No. 1.

His department presented him with a mantel radio on the day of his retirement. We join his many friends in wishing Mr. Wells good health and happiness in his future.

MR. LEONARD RINGROSE

The Assembly section of the Shipping Division in the Mail Order gathered on the morning of Friday, September 30, around his decorated table to say good luck and all the best to Mr. Leonard Ringrose who retired that day after 45 years of faithful service in the department. He had also sold in the Men's Shoes on occasion when help was needed there.

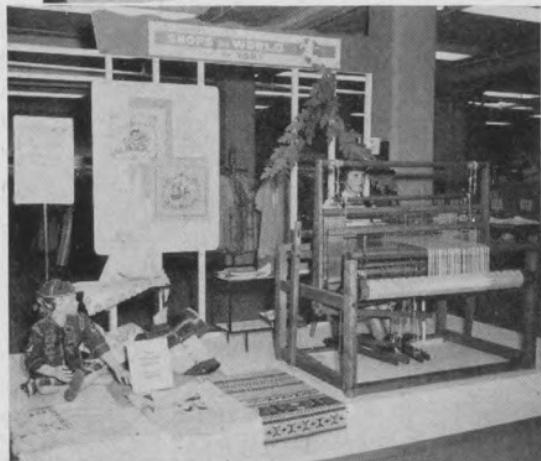

Mr. Ringrose is married and plans to stay on in Winnipeg. He is a gardener (in a small way, he says) and grows both flowers and vegetables. He is also fond of reading which gives him a winter amusement.

His department associates gave him as parting gifts a watch, camera and case, car coat and a Trapper point blanket, and during the morning many other gifts were brought to his table by his many friends and co-workers. Good luck, good health and much happiness to you, Mr. Ringrose.

EATON'S SHOPS the WORLD

"No need to travel abroad to buy the many desirable things made in other lands." This was the message conveyed by the September displays so beautifully arranged throughout the Store. EATON'S SHOPS THE WORLD. The merchandise will be available indefinitely but we took some pictures of some of the demonstrations which closed after one week.

Top, left to right: Mr. L. S. Kinsbergen, a craftsman from Holland, demonstrating Elemental Pottery, and Mrs. D. Thorsteinson, an Icelandic spinner of wool.

Bottom, left: Mrs. P. Hedemann demonstrating her native Norwegian weaving and needlecraft. Another interesting display was that of Mrs. H. Nishimura doing Japanese flower arrangements.

GIRLS' BASEBALL LEAGUE WIND-UP DINNER

Useful as a baseball uniform may be when girls play ball, it is not the most flattering costume. This was amply demonstrated at the wind-up dinner held in the Bandroom at the R.C.A.F. Station on Saturday evening, September 24. All the girls turned out in their pretty afternoon dresses and a better-looking group would be hard to find but one had trouble recognizing the hard-hitting ball players. Just check the pictures for further proof.

After a delicious dinner in which we were joined by members of the R.C.A.F. Girls' Baseball and of the Great-West Life Girls' Baseball Clubs, our opposition in some hard-fought games last summer, prizes were presented. Mr. J. Paul presented the Eaton trophy to Tina Harder, captain of the Jets, the top-ranking team, and also miniatures to each member of the team. Miss Ruth Spurway presented Tina with the Bill Clay trophy for the Most Valuable Player and this was accompanied by a miniature. The other two clubs attending also presented their girls with trophies.

While pictures were being taken the tables were cleared away and, shortly, dancing commenced. A really sociable, gay evening followed and all agreed that the managers of the teams, the coaches and Dan Remillard and Jack O'Leary, who supervised the whole project, deserve high praise.

Left to right, standing: Bob Stacey, 284; Roy Lowe, 122; Ann Joss, 110S; Clarence Saunders, 122; Percy Cook, 122; Lorne Jackson, 119.

A CURLING CLINIC

By Pat Milne

Here's good news for the entire Eaton curling fraternity—men, women and children. We are holding a curling clinic at our own club on Mayfair. This should prove a boon not only to those being initiated into the game this year but also to a lot of our curlers who have never had much instruction in the fundamentals of the game.

The clinic, to be repeated on three successive evenings to accommodate the expected crowd, will be held on:

Tuesday, Wednesday and Thursday, November 1, 2 and 3.

It is in the capable hands of Wally Reid who originated the idea. The M.C.A. thinks very highly of this plan and some prominent members of that august body, among them former Dominion champions, have offered their services to demonstrate the correct way to hold, deliver and sweep a rock and the numerous other essentials to improve your game. Through the kindness of Norm Smith, whose father was an old Eatonian, we will be showing two instructional films at each of these evenings.

You can't afford to pass up an opportunity like this. Don't forget to come and bring the family. Eaton women curlers, both clubs, are cordially invited. Watch for more detailed announcements or phone Pat Milne, Carpets and Floor Coverings.

L. H. and P.—By J. G. A.

Well the holidays are over and the boys are back in chains,
But their purse strings are so tightened up,
they're full of aches and pains;
Although they travelled far and wide and
money freely spent,
They all said they enjoyed it, though now
they're broke or bent.

P. Moore, our Pipeshop Foreman, drove to the western coast.
And of the many sights he saw, he cherishes the most,
The seeing of many retired friends who worked in our big store;
And though he told them of us all, they badgered him for more.

John Erlindson that Viking lad went down to New Orleans,
And though it took some coaxing, he finally spilled the beans;
He admitted he'd done the night clubs and viewed risque burlesques,
He says you'll never learn a thing just sitting at a desk.

Jim Maltman seeking spills and thrills went to New York's Coney Isle.
He claims that's where he will retire when he has made his pile;
He'll sit there basking in the sun and watch the world go by,
Especially the bikinis that catch a tourist's eye.

Fred Perry's not a man to go a visiting distant towns,

So he just stayed home in Winnipeg and went out to Churchill downs;
He thought that racing was a farce and hardly worth the trouble,
But it's amazing how he's changed his mind since winning the daily double.

Jack Preece too is quite a fan who goes out to the races.

In fact you have to hold him back or he steps through the traces;
He takes along his record book of figures,
facts and notes,
But luck is never with him for he only buys the oats.

Of course, some of us went hunting, dressed in our oldest rags,

Though many went to bag the ducks—some went to duck the bags;
But where'er we went, 'twas time well spent,
and as we join the fold,
We know it's these vacations that keep us from growing old.

News of and for Eatonians

JOAN NEWMAN, 17, chosen Freshie Queen of the University of Manitoba on Saturday, September 24, was one of our Junior Councillors for 1959-60, and worked in the China Department. She represented Viscount Alexander Collegiate and was in Grade XI last year. Passing with highest standing in English, she is now a first-year student at St. John's College.

MR. H. B. (Bert) BEMISTER, recently retired from Men's Shoes, has blossomed forth this summer as "apple king" of the Eaton staff. At the Horticultural Show held in the Auditorium on August 17-18, he won first prize for his exhibit of apples in the amateur growers' class. Some of us remember when it was said that one could grow only crabapples in Manitoba, but this brings our progress home.

Bert grew this apple tree from seed. Planted in the back yard 20 years ago, it took 11 years to produce fruit and was producing for three years when the inevitable bad boys climbed and broke it down. It grew up again as twin trees and has been producing again just this last three years.

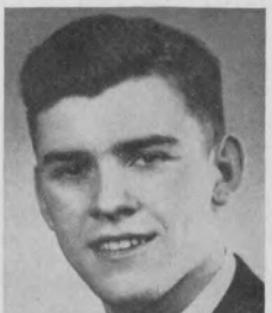

The Morden Experimental Station has taken scions and is grafting them to Siberian Crabapple roots—the most robust root available—and when this work is finished, a new apple to be called "Bertrand," will be available to growers. The most remarkable fact about this story is that only one seed in 2,000 produces a tree of eating apples. The seed-produced tree ordinarily goes back to being a crabapple.

MORTON CANTY, summer staff in the Housewares stockroom for the past two summers and son of Mr. James Canty of the Alexander Warehouse, has been notified that he has won an Isbister scholarship. He was 17 last May and is one of the four top students in the province in Grade XI to win the award, and is top student in District 9. He has deferred the scholarship for a year as he is taking his grade 12 at Elmwood this term. Morton is musical, too. He plays clarinet in the Blue Bombers' band. We're proud of you, Morton, and expect to report many more outstanding achievements.

ALLEN M. LANSDOWN, the member of our Junior Executive representing Glenlawn Collegiate in 1955-56, who worked in the Boy Scout Section of Boys' Clothing, appeared in the news in September. He has been awarded a \$400 Mobile Oil of Canada scholarship at the University of Manitoba in his final year as a student in civil engineering. He is the son of Mr. and Mrs. G. M. Lansdown of 42 Elm Park Road. Your Eaton associates wish you continued success, Allen.

Again we announce Suggestion Award Winners. Congratulations! By your giving thought to the problems of this great organization and taking the time and trouble to send in a suggestion you are making a worthwhile contribution and the Committee hopes that this means even more to you than the money award. Not every suggestion wins an award but a fair percentage of those sent in are considered worthwhile or practical. Keep on sending. Keep a file. If a year has passed since a suggestion of yours was "not adopted" and you still think it has merit, send it in again. Perhaps the time is now ripe.

**SAFETY IS A PERSONAL
THING**

These thoughts apply equally on the job, in the home, on the street. Most accidents are caused by ignorance, carelessness, selfishness or impatience, and all these accidents can be prevented by the exercise of ordinary common sense. When we narrowly escape an accident or are involved in one, we should take time to analyse what happened so that we may avoid a repetition of the circumstances. Let's make safety a personal obligation.
